WHAT IS INCLUDED?

3 tailored hands-on projects

Certified Little Makers teacher/s

Whole venue reserved just for you

Art materials

Customized party invitation

Party bag for art projects

We clean up the mess!

OUR VALUES

Our Atelier is inspired by the Reggio Emilia pedagogical approach which focuses on the child's interests and own pace to learn.

We apply this to our Arty Parties too by guiding them in each activity, encouraging them with open questions and letting them express themselves.

It is not a painting class, it is a free flow workshop focused on the process rather than the result. Let's get messy!

THE ATELIER

Here is where the Little Makers workshop will take place! Where creativity, sensory exploration and free creation flows.

The Atelier is located at the entrance of the venue, with plenty of room to host 12-15 children.

It counts with a wide variety of art supplies, child-sized tables and chairs.

Next to this room, you will find our gym for free play and Little Café where cake time will take place.

THE ATELIER

THE LITTLE CAFÉ

THE GYM

WOW Family Center's indoor playroom is well-equipped with soft floor and soft play material for all ages. Our teacher/s will do a set up appropriate for the children's age at your party. There's a XXL ball pit fun for all ages!

We kindly ask you to take your shoes off here for hygienic reasons and respect the Gym's guidelines that you'll find on the wall to keep everyone safe and sound.

3 TAILORED HANDS-ON PROJECTS

1-9 y.o.

COOPERATIVE ART

Free painting over a big mural displayed on wall and floor. It's a cooperative moment where everyone paints together, and we get messy like never before!

On this project kids will create their unique art pieces on a canvas with original and creative tools. It is not the result what we aim for, but a moment for themselves to create something of their very own to bring home as a memory of the party.

PAINTING ON CANVAS

We make playdough from scratch (sometimes it can be clay or slime on demand). We focus on the process of making, learning measures and playing with the dough in our hands.

MODELING I

3 TAILORED HANDS-ON PROJECTS

1-9 y.o.

Once the playdough is made, we go to the tables where there are different tools to manipulate with and materials (loose parts) to decorate and create a 3D figure of their choice.

MODELING II

1-4 y.o.

When we have a party for a small group age, we add a Sensory play station. Often you will find all kinds of materials (soil, lentils, flour, water, beans, coffee, rice,...) and tools to play with. It is an open end station to discover with all the senses.

Hire a Barista for the Little Café: 50€ (all drinks up to this price are included)

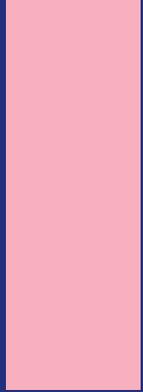

BOOKING POLICY

Once the party is booked, we begin its preparation, purchase of materials, reservation of space, teachers, cancellation of other events of the day, everything to be 100% available for your visit.

If it is necessary to cancel the party at the last minute for a serious reason that affects the host family, we will agree on a new date upon availability.

If the cancellation is notified more than 10 days in advance, 75 euros of administrative expenses will be charged and the remaining amount will be returned to the indicated bank account.

FAQ's

- We have English, Dutch and Spanish teachers. However, not always they are available upon request.
- The room will be decorated with some balloons and a birthday garland. If you want more decoration feel free to bring it and set it up yourself.
- Catering is not included.
- if you want a themed party, feel free to bring your one-use table cloth, cups and plates. Otherwise, we will provide our own service set.
- Drinks are not included, you need to purchase our Barista package (more info in Prices section).
- There is 1 teacher up to 10 kids, 2 teachers up to 20 kids.
- There's a speaker in the location with Bluetooth. We'll play music but you can always connect your phone to it to play your own list.
- The teacher will guide you along the party, informing you about schedule and helping you with anything you might need.
- It is forbidden to bring alcohol to the venue.
- Bring a lighter for the candles.
- Please bear in mind sometimes we have a second party on the same day so we always follow the schedule to be on time.
- We appreciate your cooperation in tyding up your own party waste (snacks, drinks, gift wrapping paper, etc)
